ASSUNTO: Alteração de traçado viário

JUSTIFICATIVA

É reduzida a largura do Beco do Sebo, de 30,00m para 15,00m, trecho compreendido entre as ruas Vidal Barbosa e Correa de Mello, por tratar-se de logradouro situado no interior de unidade e cujo gabarito implantado satisfaz ao esquema viário local. Tal modificação demonstra conveniência ao Município que se desobriga do ônus referente à desapropriação de imóveis.
